

"WORLD CHAMPIONS" 2008

The artwork "WORLD CHAMPIONS" has been created by MU Crew featuring 80's casuals, the brand from Liverpool that produces t-shirts inspired to the casuals' icons of the 80's.

The model reproduced is the Adidas ITALIA, since the artwork is an homage to the four World Champion titles won by the Italian team in 1934, 1938, 1982, 2006. The T-shirt, in dark blue, has been produced in a limited edition (100 pieces).
